

# LLS-LP-FLAG-FG125-40-DB-I

40 Foot Fiberglass Flag Pole

Project Name \_\_\_\_\_

## DETAILS

Fiberglass flagpoles deliver exceptional performance in challenging commercial environments where traditional materials tend to fail. Our durable fiberglass flag poles provide a 50+ year service life, significantly reducing replacement costs compared to steel poles that are susceptible to corrosion or aluminum poles that suffer damage from weather-related impalements. We have found that facilities using our commercial-grade flagpole solutions experience 75% fewer maintenance issues compared to traditional steel installations. The non-conductive properties of fiberglass eliminate lightning attraction concerns, providing safer operation around electrical installations.

Manufactured in the  
USA

Rot, Rust, Corrosion and  
Fire Resistant

15-year warranty

## OVERVIEW

**SKU:** LLS-LP-FLAG-FG125-40-DB-I

**Warranty**

15-year warranty

**Color Options**

White
