

LLS-PILING-25-CB-SYP-.6CCA

25 Foot Piling

Project Name _____

DETAILS

Our high-quality Southern Yellow Pine timber piles that meet stringent quality standards for marine and terrestrial environment projects. Wood pilings represent one of the most traditional and widely used foundation solutions in construction. Our wood pilings for sale are injected with a CCA-treated preservative, providing a resistance factor to rot, decay, and damage caused by saltwater immersion, unlike untreated lumber.

CCA Treated to Prevent Insect and Rot Damage

Up to 50+ Years Service Life

1-year warranty

Manufactured in the USA

OVERVIEW	
SKU:	LLS-PILING-25-CB-SYP-.6CCA
Warranty	1-year warranty
