

LLS-PILING-20-CC-SYP-.6CCA

20 Foot Piling

Project Name _____

DETAILS

Our high-quality Southern Yellow Pine timber piles that meet stringent quality standards for marine and terrestrial environment projects. Wood pilings represent one of the most traditional and widely used foundation solutions in construction. Our wood pilings for sale are injected with a CCA-treated preservative, providing a resistance factor to rot, decay, and damage caused by saltwater immersion, unlike untreated lumber.

CCA Treated to Prevent
Insect and Rot Damage

Up to 50+ Years Service
Life

1-year warranty

Manufactured in the
USA

OVERVIEW

SKU: LLS-PILING-20-CC-SYP-.6CCA

Warranty 1-year warranty

Species Southern Yellow Pine

Treatment .60 lbs per cubic foot CCA

ASTM Class C
