30 to 40 Watt Power and Color Adjustable LED Wraparound Light

Product Details

SKU: MLLG-WD-LED-WRAP-4-40-CC

Web ID: 1924

30 | 35 | 40 Watt Selectable wrap-around shop light is ideal for swapping out any pre-existing fluorescent tube fixtures. The LEDs and driver are enclosed creating a seamless appearance and preventing any dust or debris from entering the unit. You can select the color temperature you want with a simple toggle switch: 3500K or 4000K or 5000K. Voltage is 100V-277V. This fixture mounts directly to the ceiling. All hardware is included with this fixture.

This fixture is UL Listed for Damp Locations and is also vibration resistant. It can operate in temperatures between -4 F to 122 F. It is designed to replace 100 | 150 Watt Metal Halide.

Product Specifications

Input Voltage:	100V-277V	Dimensions:	47.7 in L X 7.1 in W
Operating Temp:	-4°F to +122°F	Weight:	7.94 lbs
Rated Life:	70,000 hours	Warranty:	5 years

22 / 28 / 36 / 44 Watt Adjustable Shop Light | 4 Foot

Product Details

SKU: MLLG-AL-LED-LIN-SL2-44-CC

Web ID: 1715

4 foot Power Adjustable and Color Adjustable shop light has a low profile design with frosted lens for distributed light and reduced glare. It features a durable galvanized metal fixture with knock-out entry points on both ends. A LED 100V-277V 1-10V Driver is included. You can set the color temperature to 3500K or 4000K or 5000K with a simple switch. You can also adjust the power settings to 22 | 28 | 36 | 44.

This fixture produces 3102 | 3948 | 5076 | 6204 based on the power setting at 141 lumens per watt. Installation is easy. Entry points on the sides of the fixture or ends make it simple to connect fixtures and control from one switch. It can be Chain-Cable or Surface or Wall mounted. The fixture is Damp location rated and can operate in temperatures between -4 F to 104 F.

Product Specifications
